

Welcome

Long distance relationships are very hard to maintain. It has been said that absence makes the heart grow fonder. Many of us have found this statement not to be true. We need personal time with our family and friends so that our love, trust and relationships, in general, are fulfilling and prosperous. God's desire has always been to have a personal time with his children. We invite you to join us for our East Texas Area Retreat where you will have an opportunity to meet with God "Face to Face".

This year we are trying something a little different. Our event will be on Friday evening and Saturday only. Hotel reservations are at a separate location from the retreat site (only 2 miles). Traffic will move smoothly between the two locations. We are trusting God for these changes.

Looking forward to being with you,
Judy, Lydia, Mary, Diane & Linda

Guest Speaker,
Janice Seeney

Janice Seeney is a speaker, author, and artist. Janice has been involved in teaching, training, and equipping people since 1985 and she has a reputation for presenting insight in a powerful simple basic style. She has been introduced with such phrases as, "Janice puts the cookies on the lowest shelf so everyone can reach them." or "Janice takes complicated truths that we should not be able to understand and presents them in a way that we can all understand."

Janice has developed classes and training designed to equip each individual to recognize their spiritual, supernatural dimension and how God speaks today. Classes include; dreams, angels, visions, pictures, words, impressions and the practical application of these teachings in a person's daily life.

Janice can lead you to the cliff edge of your destiny, cause you to lean over and take a look while she pushes you off and laughs with delight as you discover that for which you are searching.

Bob and Cindy are Associate Pastors & Worship Leaders of Church of Faith in Slidell LA. They have a unique ability to lead others into the intimate presence of God with their musical and prophetic giftings. As the founders of Incense of Worship Ministries, they minister internationally as the Spirit of God leads to impart a fresh fire into all levels of the church. Together, Bob and Cindy's vision and desire is to train and equip the Bride of Christ to worship in Spirit and Truth, to see the mature Bride deeply united in intimacy with their Creator and the Lover of their souls, and to touch the world with the Love of Jesus.
